

Automotive and Manufacturing Engineering Technology Scholarships 2009-10

[Download 2009-10 Application](#)

College of Science, Engineering and Technology Scholarship	At least ten awards ranging from \$500 to \$1000 may be given. To qualify, a student must have a cumulative GPA of 3.5 or above, have completed at least two full semesters at Minnesota State, Mankato, and be declared a major in the college or in a pre-professional major with the college. Recipients are selected by the Dean's Scholarship Review Committee.
Dean and Maxine Turner Scholarship	One award of \$1000 may be given. To qualify, a student must have a cumulative GPA of 3.5 or higher and be enrolled in any major in the college or in a pre-professional major associated with the college. Preference will be given to students who will be seniors in the fall. Recipients are selected by the Dean's Scholarship Review Committee.
Jack and Anna Getta Memorial Scholarship	Two awards of \$250 may be given. To qualify, a student must have a cumulative GPA of at least 3.0, have completed 64 credits (sophomore entering junior year), have a declared major in mechanical engineering, manufacturing engineering technology or civil engineering (preference given in order), have officially been accepted to the college of SET, and be a Minnesota resident. Preference will be given to students with demonstrated financial need as evidenced by their financial aid status. Recipients are selected by the Dean's Scholarship Review Committee.
Kato Moving and Storage	One renewable award of \$2500 is available to a full time enrolled AMET major who will be a junior by fall semester, 2009, and has a a GPA of 3.0 or higher. Applicants must submit an essay detailing their interest in green energy. Recipient will be selected by the AMET department.
Mary and Clifford Hendrickson Scholarship	Two \$500 awards may be available. To qualify, a student must be a declared major in the College of SET and have a cumulative GPA of at least 3.0. Recipients are selected by the Dean's Scholarship Review Committee.
Society of Automotive Engineers Scholarship	One award of \$1000 and two awards of \$500 may be given to automotive engineering technology majors.
Thin Film Technology/Mankato Area Foundation Scholarship	One award of \$2000 may be given to a senior with a GPA of 3.5 or higher. Two awards of \$1000 will be given to a senior with a GPA of 3.0 or higher. Four awards of \$500 will be given to a junior with a GPA of 3.0 or higher. Candidates must be a declared major in either computer engineering, electrical engineering, mechanical engineering, automotive engineering technology, computer engineering technology, electronic engineering technology, manufacturing engineering technology, chemistry, mathematics or physics. Recipients are selected by the Dean's Scholarship Review Committee.
Turning Pointe Scholarship	One award of \$1000 may be given to a single mother with dependent child(ren) who is a declared and accepted major in the College of SET with 32 credit hours completed. There is no minimum GPA requirement. Recipients are selected by the Dean's Scholarship Review Committee. A separate application is required. Details

Automotive and Manufacturing Engineering Technology Scholarships 2009-10, continued

<p>V-Tek, Inc. Engineering Scholarship</p>	<p>Up to six awards of \$1000 may be given. To qualify, a student must have a cumulative GPA of 2.5 or higher, completed 32 or more semester credit hours, and be enrolled in one of the following majors: computer engineering, computer engineering technology, electrical engineering, electronic engineering technology, manufacturing engineering technology or mechanical engineering. <i>Recipients are selected by the Dean's Scholarship Review committee.</i></p>
<p>Winland Electronics Engineering Scholarship</p>	<p>Up to four awards of \$500 may be given. To qualify, a student must have graduated from a high school in Minnesota, Iowa, Wisconsin, or North or South Dakota, have a cumulative GPA of 2.5 or higher, and be enrolled in electrical engineering, manufacturing engineering technology, or electronic engineering technology. <i>Recipients are selected by the Dean's Scholarship Review Committee.</i></p>
