

Chemistry and Geology Scholarships 2009-10

[Download 2009-10 Application](#)

Anne and John Frey Scholarship	Four awards of \$1000 will be given. To qualify, a student must have a cumulative GPA of at least 3.0. Preference will be given to sophomores in either biology or chemistry majors. <i>Recipients are selected by the Dean's Scholarship Review Committee</i>
Chemistry Department Scholarship	Up to two awards of \$500 each are available. Eligible students must have a declared major in the Department of Chemistry and Geology and have cumulative and major GPAs of at least 3.3. Applicants must have completed at least 96 quarter or 64 semester credit hours and Chemistry 320 by the end of spring semester.
College of Science, Engineering and Technology Scholarship	At least ten awards ranging from \$500 to \$1000 will be given. To qualify, a student must have a cumulative GPA of 3.5 or above, have completed at least two full semesters at Minnesota State, Mankato, and be declared a major in the college or in a pre-professional major with the college. <i>Recipients are selected by the Dean's Scholarship Review Committee.</i>
Dean and Maxine Turner Scholarship	One award of \$1000 will be given. To qualify, a student must have a cumulative GPA of 3.5 or higher and be enrolled in any major in the college or in a pre-professional major associated with the college. Preference will be given to students who will be seniors in the fall. <i>Recipients are selected by the Dean's Scholarship Review Committee.</i>
Gladys Stein Scholarship	One award of \$1000 will be given. To qualify, a student must have a cumulative GPA of 3.3 or higher, must have completed at least one full semester at Minnesota State, Mankato, and be a declared math, science or pre-professional major in the college. <i>Recipients are selected by the Dean's Scholarship Review Committee.</i>
Leonard A. Ford Chemistry Scholarship	One award of up to \$1000 will be given. Recipients must have senior standing by fall semester with a major in BS ACS Chemistry (preferred), BS Chemistry, BS Biochemistry or BS Chemistry Teaching major with cumulative and major GPAs of at least 3.3.
Marie Payne Graham Memorial Chemistry Scholarship	An award of \$2500 will be given to an incoming freshman.
Mary and Clifford Hendrickson Scholarship	Two \$500 awards are available. To qualify, a student must be a declared major in the College of SET and have a cumulative GPA of at least 3.0. <i>Recipients are selected by the Dean's Scholarship Review Committee.</i>
Robert E. Gebelt Memorial Scholarship	One award of \$1000 will be given to a woman (preferably a senior) majoring in chemistry or biochemistry, who will have completed at least 96 semester hours by the end of spring semester. A cumulative GPA of at least 3.3 and evidence of extracurricular activities is required.
Robert Henney Chemistry Scholarship	One award of \$500 will be given to a student who has a declared major within the Department of Chemistry and Geology and will have completed analytical chemistry by the end of spring semester. The student should have cumulative and major GPAs of at least 3.3. This scholarship is intended for a student who has special financial need, and the application should include a letter which describes this need as well as the benefit which would be derived from the award.
