

## MBA Internship Final Paper

The final paper should be 5 pages including the following:

- Brief description of the background of the industry and organization you were associated with during the internship. Include the short-run and long-run outlook of the organization and the possibilities of future positions for college graduates with this organization and other organizations in the same field (approx. 1 page).
- Briefly describe the major areas for which you were responsible during your internship (approx. 1 page).
- Review the detailed list of objectives for the internship experience that you submitted with your internship application. Examine and discuss how each objective was met or not met. This review should represent around 50 percent of the paper (approx. 2 pages).
- Evaluate how well the internship met your internship goals. Relate your internship to your academic training. How could your internship experience have been improved? Provide other comments that are relevant to your internship experience (approx. 1 page).
- Other comments you have to offer.

The report should be typed, meet collegiate writing standards and be 5 pages in length. Both the content of the final report and the quality of your writing will affect your grade which will be given by your department chairperson, [Dr. Marilyn Fox](#).

The final paper must be attached to your COB internships account before the end of the semester. Here's how:
