

## MECA Memorial Scholarship 2022

The MECA Memorial Scholarship was established by the Minnesota Erosion Control Association (MECA) in 2007. MECA wishes to award this \$500 scholarship to an individual who wants to pursue an engineering or science degree with an emphasis on erosion and sediment control or stormwater management.

### QUALIFICATIONS:

- To be eligible for the MECA Memorial Scholarship, you must be a student with intent to complete an engineering or science degree.
- You should also demonstrate an interest in pursuing a career involving stormwater management or erosion and sediment control.
- You must have a grade point average of 2.5 and be a Minnesota resident. Your college does not have to be located within the state of Minnesota. Both new college students and those currently enrolled are encouraged to apply.

### INSTRUCTIONS:

1. Fill out the Scholarship Application form (below).
2. Submit an essay. Write an essay stating why you feel you deserve to receive the MECA Memorial Scholarship. Please indicate your objectives, and information about your educational, career, and personal goals. Demonstrate your talent by writing about any special interests or special circumstances that you may wish the selection committee to consider. Include information on evidence of leadership and community service. **Essay format:** One page, 11 point font size with 1" margins. Use your name and essay name as the title.

**Return your application and essay by mail or email (digital copy is preferred) to:**

Minnesota Erosion Control Association
