

Minnesota State University, Mankato
Department of Electrical and Computer Engineering and Technology
CE Course Permission Form

Student Name: _____
 Tech ID: _____

Semester Exception Requested: _____

For students who have received non-passing grades in prerequisite courses.

1. Complete this form providing requested information in the "Sem/Yr" and "Grade" columns. Then indicate which courses you would like to take that you have not meet prerequisites for by writing "waiver" in Semester/Year taken column.
2. Arrange an appointment with the course instructor(s) scheduled to teach the course(s) that you wish to have prerequisite waiver(s) granted for.
3. Once the course instructor has made their determination schedule an appointment with the ECET Department Chair to review this request.
